

Narara Public School

Name.....

Class.....

As our major fundraiser for 2019 Narara Public School has prepared an awesome physical challenge.

I will have to run, jump, crawl and get very messy in order to complete the course.

Please sponsor me to take on the challenge and at the same time help transform our school bathrooms into light, bright, inviting and uplifting spaces.

No cash on hand? No problem! You can also donate money via the flexischools website.
